- BACKGROUND:** Get ready for a night of laughs as St. Paul native, Josh Blue, returns to Mystic Lake Casino Hotel. Raised in St. Paul, Blue's big comedic break came in 2006 when he won first place on the popular NBC reality-TV series, *Last Comic Standing*. Living with cerebral palsy, Josh uses his disability as the source for his humor. He describes his comedy as "spastic and engaging," and strives to show people that individuals with disabilities can make an impact.
- In 2007, Josh was the first comedian to appear on the *Ellen DeGeneres Show*. Blue also has performed on *Live with Regis and Kelly*. In addition to touring, Josh has been featured on a number of television programs including his own half-hour comedy special on Comedy Central. Recently, Josh has been touring the country performing on college campuses, at corporate events and in sold-out comedy clubs.
- Blue's opening act, Chris Porter, is originally from Kansas City and has been a comedian for ten years. Porter describes his humor as a "rock n' roll" style of comedy. He is known for his unique observations on everyday life – often told with a Midwest perspective. Porter was recently seen on Comedy Central's *Live Tour* and appeared in the new season of *Live at Gotham*, which aired last summer.
