

Fact Sheet – Mystic Showroom

The Experience

The new showroom is a premier performance venue with superior offerings for audience members and entertainers.

- Vegas-style showroom opens to the public on September 15, 2007
- Unmatched state-of-the-art acoustics and technology
- Intimate concert experience unlike any other in the Midwest
- New Mystic Showroom is a smoke-free environment

The Seats

Stadium-style seating in the showroom is designed to maximize comfort and visibility.

- Seating capacity of 2,100
- Oversized 21-inch-wide chairs with 17 inches of leg room
- Cup holders with each seat
- All seats no further than 120 feet from the stage
- Unobstructed sight lines – there are no “bad seats” in the entire showroom

The Stage

With one of the largest stages in the state, the new showroom will provide big name stars with the space and features they need to perform.

- Proscenium opening measures 95 feet by 30 feet
- Stage depth at center measures 50 feet
- Overall stage measures approximately 150 feet wide by 48 feet high and 44 feet deep
- Offstage right includes a quick change room, freight elevator and stairs to the dressing rooms or catwalks
- Offstage left is another changing room, restroom, production office, truck-height loading dock door and an elevator and stairs to the dressing rooms or catwalks
- Wi-Fi capabilities on-stage

The Audio

The new showroom features such an impressive sound system that many artists who travel with their own audio equipment will likely use Mystic Lake’s system.

- Controlled acoustic atmosphere creates crystal clear sound
- Top-of-the-line monitors, line array speakers and subwoofers
- Primary and secondary mixing consoles

The Lighting

The showroom is equipped with all of the newest lighting capabilities to ensure guests have a complete experience when they attend a show.

- Conventional dimming system
- Customized moving light system
- Consoles for control/distribution

- Projectors and screens
- Control booth with video editing capabilities

The Dressing Rooms

After being out on the road, artists' will appreciate the spacious, fully-equipped dressing areas backstage.

- Two luxury star suites
- Two chorus rooms, each accommodating 14-plus performers
- Three primary dressing rooms
- Green room to accommodate dining for 12
- Secondary loading area includes room for three buses and a freight elevator providing direct access to the stage
- Wi-Fi capabilities in all dressing rooms

The Rigging System

The inclusion of a rigging system allows Mystic Lake the ability to accommodate acts' that require additional staging effects.

- Two full-width catwalks, approximately 15 feet and 40 feet from downstage edge
- Eight trusses suspended over stage on chain-hoists
- Steel beams running left to right are spaced every five feet and have the capacity of four tons, one ton per point
