

MYSTIC LAKE CASINO OPENS NEW, STATE-OF-THE-ART SHOWROOM

Mystic Showroom to celebrate grand opening September 15 with performance by country legend Alan Jackson

PRIOR LAKE, Minn. (September XX, 2007) — Mystic Lake Casino Hotel announces the September 15 opening date for its newly constructed, upscale performance theater. The grand opening will feature a live performance from country music veteran, Alan Jackson. With a seating capacity of 2,100 and unmatched, state-of-the-art sound technology, the Mystic Showroom will create an intimate concert experience unlike any other in the Midwest.

“The opening of the Mystic Showroom will create a whole new experience for our guests,” said Rich Langelius, vice president of operations, Mystic Lake Casino Hotel. “The sound and structural upgrades will surpass their expectations.”

The new Vegas-style showroom is specially designed to maximize the visibility and sound quality of performing artists, and increase comfort for guests. With an impressive stage – larger than any other local theater – the Mystic Showroom features a proscenium opening measuring 95 feet wide by 30 feet high. Fixed stadium seats no further than 120 feet from the stage allow for better sight lines. Oversized, 21-inch-wide chairs with cup holders and extra leg room create unparalleled comfort for audiences.

The Mystic Showroom will feature a steady stream of star-powered entertainment acts. The new stage will host today’s top entertainers, from groundbreaking comedians to the most popular names in live music. Alan Jackson will headline the Mystic Showroom grand opening on September 15 and Gretchen Wilson will follow on September 28.
